## Mom's Night

Mom's night is a great opportunity to get to know and learn from each other. We are so excited to welcome more families into our homeschool group! I hope we will all do our best to come.

Barb Johnson is graciously hosting our next Mom's night September 30, at 7p.m. Barb's address is 2211 N. 400 W., Greenfield 46140. A topic will be chosen based on the survey that was recently sent out. I'm sure it will be interesting and helpful to us all!

There will also be a sign-up for Talent Night and Tuttle Orchards field trip. Since the Tuttle Orchards field trip requires a minimum number of 15, we would encourage you to pay at the mom's night, if possible.

## A Look Ahead

### Tuttle Orchards details:

We are signed up for the "Elementary Apple Pumpkin Adventure Tour" on October 11, 9:30 a.m. The tour lasts for about 2 hours.

In addition to touring the farm, you and your children will each take home a small bag of apples (about four per bag), watch the cider press and sample cider, and take a hayride to the pumpkin patch and choose one small pumpkin each to take home.

## Wilbur Wright's Birthplace Museum

Denise Wilson has planned a field trip to the Wilbur Wright's Birthplace Museum on Friday, September 30th that you won't want to miss! We will meet at the museum (1525 N. 750 E., Hagerstown 47346) at 10a.m. The cost is \$2 per student and \$3 per adult. Children under 2 are free. A covered shelter is available if you would like to bring a sack lunch.

(Info from the Museum: The grounds are beautiful. The house, smokehouse and barn whisk you back in time. We even have a privy on the premises. In the museum, we have a lot of family related artifacts, a short but informative video, a full size replica of the Wright Flyer, an interpretation of Kitty Hawk, and Main Street which has interpreta-

tions of their print shop, their bicycle shop, a general store, a school room, and more.)

If you are planning to go, please let Denise know at [stonemedic76@me.com](mailto:stonemedic76@me.com).

## Picture Day

Though we have not yet finalized all the details, Alicia is working on a special picture day just for the students in our group! Alicia will be sending out an email soon with the day, place, and prices. They will be high-quality photos at affordable prices, so keep your schedule open!

### Talent Night:

Talent Night will be held in the main auditorium of BTBC on October 25th at 7p.m. Your children will have the valuable experience of performing in front of a group! A few options might be playing an instrument, singing, quoting poetry or other dramatic selections, and more!

If your child intends to participate, please plan to sign up at the next mom's nights or email Alicia at [angelbeads1@gmail.com](mailto:angelbeads1@gmail.com). Thank you!
